<b>PUJAS</b> <p><b>Durga Puja:</b> For the elimination of all suffering through the grace of the Divine Mother and to get rid of evil tendencies in us.</p> <p><b>Navagraha Puja:</b> (‘Nava’ means nine, ‘Graha’ means planets) produces tremendous positive energy and helps people to gain courage to face any situations in their lives. In the Hindu tradition it is believed that the location of these nine planets at the time of birth, and at a given time in one’s life, can either exert a positive or negative influence upon them and their destinies.</p> <p>Pujas can be performed to individual planets to alleviate problems with respect to specific areas of life, or to a group of nine planets to dilute the overall negative energies emanating due to the negative placement of the planets. The effects of the planets vary from person to person depending upon their positions in the specific persons birth chart. <b>The most suitable planets can be worked out for you; please provide your birth details.</b> Recommendations for the planetary puja can be obtained by sending an email with the subject: Planetary puja recommendations to <a href="mailto:shraddhaji.oz.nz@gmail.com">shraddhaji.oz.nz@gmail.com</a></p> <p>The email should include the date, place and time of birth as accurately as possible.</p> <p><b>ASTROLOGY READINGS</b>          Br. Shraddhamrita Chaitanya will also be providing Astrology readings. If you are interested in having your chart done please provide your place, date and time of birth, along with any questions you would like addressed in the reading. Please email this information to the same address provided above (for the puja recommendations).</p>
